

Greetings,

Am glad to announce to you the theme of YOFOCHM's Annual leadership camp (equip the youth camp – Africa 2015) as LIGHT (Mathew 5:14).

Every year since 2009, YOFOCHM gathers over two hundred (200) young leaders from within Africa i.e. Uganda, Kenya, Burundi, Nigeria, Zambia, and others to strengthen & equip them with lifelong leadership skills for our future.

This year's leadership forum is intended to inspire young people be the light that they are ought to be in their communities. It will run for 3days (11th – 13th) DEC, 2015 in Mubende, Uganda (E.A).

A camp fee of \$40 makes a participant stay at the camp memorable. The fee will cater for each one's transport from Kampala to Mubende (three hours drive), Accommodations (Breakfast, Lunch & Supper), T-shirt, Conference material, Venue fee, Certificate & others.

Your generosity gives an African young leader opportunity to experience, benefit by learning and networking.

At the camp we believe in mentoring a few and they go back at their community level to mentor others.

God bless you.

Together in giving young people chances in life they deserve,

Stephen Kapere,

Founder / President
